

# Customising Member Login Text

Last Modified on 29/09/2016 2:09 pm AEST

## Quick Steps: Shop > Shop Settings > Options > MemberDesq > Member Login Text

If you have integration with your Member database setup within Shop, you can customise the message that is displayed to members when they log in. This enables you to keep them updated on specials and events around your organisation.

1. Within the Management Console, select **Shop** from the top menu, then **Shop Settings** from the left menu.
2. Select **Options** from the expanded left menu.
3. Click **Edit** then go to the **MemberDesq** tab.
4. Within the **Member Login Text** field, create your login message to members. You can insert images, or links directly to products within the store using the WYSISWYG editor.

The screenshot displays the Shop Management Console interface. The top navigation bar includes Home, Website, Members, Subscriptions, Shop (highlighted), Auctions, TicketDesq, Events, Registrations, Competitions, Tools, Administration, and SportsTG Noticeboard. The left sidebar shows a menu with Order Management, Products, Analytics, Shop Settings (expanded), Options (highlighted), Mobile, Postage Settings, Additional Information, Help Centre Topic Groups, Help Centre Topics, and Marketing. The main content area is titled 'Options' and contains several tabs: General, Welcome, What's New, Window, Shop Options, Other Options, MemberDesq (selected), Invoice, Footer, Design, Images, and Pop Up Window. The MemberDesq tab is active, showing three sections: Member Database, Member Pricing, and Member Login Text. The Member Database section includes 'Automatic Transfer' (radio buttons for No and Yes), 'Default Member Type' (dropdown menu), and 'Default Subscriptions Type' (dropdown menu). The Member Pricing section includes 'Inactive:', 'Online:', 'Pending:', 'Financial:', and 'Unfinancial:' (radio buttons for Yes and No). The Member Login Text section features a WYSISWYG editor with a toolbar containing icons for Source, Bold, Italic, Text Color, Background Color, Undo, Redo, Bulleted List, Numbered List, Indent, Outdent, Link, Unlink, and a Format dropdown. A red arrow points to the Member Login Text field.

5. Click **Save**.

**Note:** Updating the Member Login Text regularly allows you to keep members updated with what specials are available to them, as well as with what is happening around your

organisation.
