

Updating the Club Finder Appearance

Last Modified on 01/09/2016 4:19 pm AEST

Quick Steps: Tools > Finder > Appearance

This step is to be actioned at the highest tier, whether a National or State entity.

1. Login to the console, and go to the **Tools** menu
2. From the left hand menu select **Finder**
3. Select **Appearance** from the expanded menu.

The screenshot shows the 'Appearance' configuration page for the Club Finder. The page is titled 'STG Sample - National' and shows the user is logged in as 'System Administrator'. The navigation menu includes Home, Website, Members, Subscriptions, Shop, Registrations, Tools (highlighted), and Administration. The left sidebar lists various menu items, with 'Finder' expanded to show 'Profile', 'Question Sections', 'Questions', 'Product Groups', 'Products', and 'Appearance' (selected). The main content area is titled 'Appearance' and contains the following fields and controls:

- Save** and **Cancel** buttons at the top left.
- Current Background Image**: A field with a placeholder image.
- New Background Image**: A field with the instruction 'Click the 'Browse' button to upload a new background image.' and a **BROWSE** button.
- Delete?** and **Upload** buttons.
- Search Title:** A text input field.
- Show "Join" Buttons:** Radio buttons for **Yes** (selected) and **No**.
- Save** and **Cancel** buttons at the bottom left.

The footer shows the time '24:22' and the 'SportsTG' logo.

Here you are able to upload a background image, and provide a search title. There is also the option to show the Join buttons through the finder. This enables the prospective member to Join the club they are viewing straight from the Club Finder site.
