

# Updating Your Bank Details with SportsTG

Last Modified on 16/02/2017 2:02 pm AEDT

SportsTG settle to accounts weekly. Our settlement period runs from Saturday through to Friday (midnight to midnight) and funds are settled the following Tuesday and usually cleared by the bank within 24 hours of that time (dependent on your banking institution).

For security purposes, your bank account details (displayed in **Administration > Details > Bank Account Information**) can only be updated by a Sports TG staff member.

To have your bank account details updated, please submit a request via our online forms;
